How to get into the flat

The key is in the locker on the front door, to get the code please text or call the contact numbers on arrival.

Parking

Only one parking space is available (marked in green):

Heating

The apartment has underfloor heating. Standard temperature settings:

at 04.30 - 23.30: **21.5** degrees.

at 22.30 - 04.30: **19** degrees.

The room temperature with this type of heating changes slowly.

Please do not adjust the gas furnace or controller by yourself. If you have different temperature preferences, please contact us, preferably before arrival. We will change the settings as needed.

Shower

Note: the water is heated by a flow stove. For a short time after turning it on, it has an unstable temperature, it **can be very hot**.

Drying clothes

There are no radiators in the apartment and underfloor heating is not suitable for this purpose. You can use the standing clothes dryer (from the storage compartment) or electric washer-dryer. The instructions are in the cabinet above the refrigerator. We can also send an electronic version.

Check-in/out

- Check-in from 15:00.
- Check-out until 11:00.

Rubbish

Please separate your rubbish according to the attachment. Appropriate bins are located inside the flat as well as outside. We kindly ask you to dispose of the rubbish before you finally leave the apartment. Outside, the largest bin is for mixed waste, the others as described.

Dishwasher

One dishwasher tablet is provided in the flat for each day of your stay.

WI-FI

- login: LedSonoma
- password: SonomaLed

Bed linen

Bed linen for those sleeping in the living room is inside the sofa, towels are on the washing machine or inside the sofa.

Quiet at night

We ask you to respect the silence at night from 22:00 to 6:00.

Living room lighting

Living room ceiling lights have 12 lighting modes. Each time they are turned on, another mode is switched on. To set the lighting more efficiently, use remote controls or connect the lamps to the Tuya app by:

1. download the Tuya smart app from Google play or App store
2. launch the app
3. steadily turn the light on and off until it starts flashing
4. when the light flashes tap "Add device" in the app
5. when the pairing is complete, the light will flash once
6. from now on you can control the lighting through the Tuya app

No smoking

We would like to remind you that smoking is strictly prohibited in the flat!
Smoking is only permitted on the balcony or outside, the ashtray is in the kitchen cabinet.

Instructions

Instructions for the equipment can be found in the cupboard above the fridge.

Equipment for children

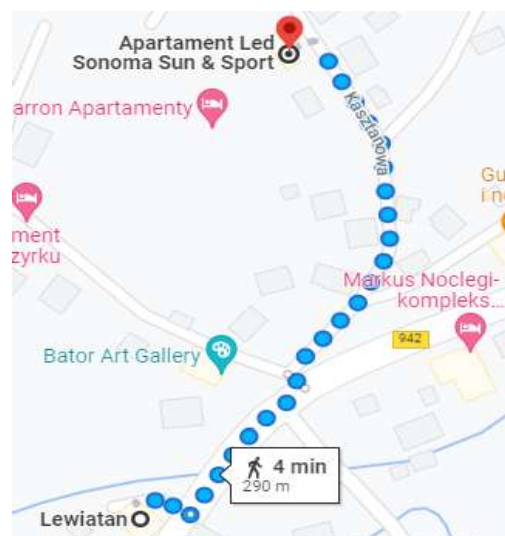

In the bedroom wardrobe there is a foldable bed and a feeding chair. If you need instructions, please contact us -> we will send it by e-mail.

Final leaving the flat

Before finally leaving the flat, please dispose of the rubbish. Please place the key in the locker from which it was taken.

The nearest shop

Near the flat there is a Lewiatan shop open almost all the time, including Sundays and holidays.

If you have any questions, please feel free to write or call.

**We wish you a pleasant stay.
Agnes and Blazej**
